

# Practical Science Quiz 2016

## PROSPECTUS

### ABOUT

Practical Science Quiz (PSQ) is a science quotient and aptitude test for students from grade 4 to 9 around India to assess the student's orientation towards science and its application. PSQ also helps schools and parents to assess, analyze and enhance the science knowledge and aptitude of the children with a Performance Report. This is an initiative from ScienceUtsav that aims at bringing about practical thinking approach in school going children.

This is the first of its kind quiz in the country which aims to help kids explore and learn more about science and technology practically. Quiz is meticulously designed by our research team to bring uniqueness and allow the spectators and participants to experience science practically. Quiz includes competency test, performance report, Science experiments, Hands-On projects, Charades, Games, Expressions and much more.

### ELIGIBILITY & EXAM PATTERN

1. PSQ is open to students from grade 4 to grade 9
2. The quiz is conducted grade-wise

## PROCESS

The competition is divided into 3 Levels. First 2 levels are in written format. Level 3 is a staged grand finale.

1. **Level 1** is a competency Test. The test is organized in the respective schools of the participants during school hours by the school teachers. It is an objective-type test of 60 minutes duration comprising of 50 objective type questions carrying one mark each. The school receives the question papers along with OMR answer sheets, 2 days prior to the date chosen which must be entrusted to the assigned coordinator.
2. A performance report is shared with the school based on the performance of Level 1 test.
3. The students need to score a minimum of 45% in Level 1 test to be eligible for Level 2.
4. Eligible students can register through their schools by filling out the registration form and paying the Registration fee of INR 150 to the school. Each registered student is issued a Hall ticket.
5. **Level 2** is the Inter-School written Quiz which is conducted by ScienceUtsav at a pre-decided centre. The assigned Examination centre, Exam dates along with time is mentioned in the Hall ticket issued to each registered student.
6. **Level 3- Grand Finale** is a staged Practical Quiz competition between 5 toppers in each grade who compete for the winner and runner up positions. Grand finale will be held by the end of January 2017.
7. The results are announced on ScienceUtsav website by the 20<sup>th</sup> of February 2017. The prizes and accolades will be sent to the schools by the end of February 2017.

## REGISTRATION

- Interested Schools can send the filled Registration form along with the complete postal address attached to ScienceUtsav my email or post before the 20<sup>th</sup> of November. Find the registration form attached.
- School is also requested to assign one coordinator who will be the point of contact for the entire course of the quiz and choose the convenient date for the Level 1 Test. I.e., Nov 25<sup>th</sup> 2016 or Nov 26<sup>th</sup> 2016.
- School will receive a brief set of guidelines once they register for the quiz.
- Level 1 - is free for schools provided it is made compulsory for all the students from grade 4 to grade 9.
- Schools can also download the registration form by visiting [www.scienceutsav.com/psq](http://www.scienceutsav.com/psq) or by sending an email to [psq@scienceutsav.com](mailto:psq@scienceutsav.com) or [bangalore@scienceutsav.com](mailto:bangalore@scienceutsav.com).

Any schools wanting to become a registered examination centre for Level 2 can write to us.
